# Partial Planning

For couples excited about putting together the details of their Big Day, but unsure where to begin. We'll get you started by connecting you with vendors who we know will match your budget and personalities to a 't,' so all you have to do is point and pick your favorites. When your team is set, I'll leave it to you to fill in all the details, and once all is arranged, I'll rejoin you a few weeks before wedding day to create a day-of timeline and make sure all vendors are confirmed, prepared, and excited.
