HOUSE GUESTS

AMERICAN MAGIC GRAND OPENING

January 7, 2026, was a milestone day for both American Magic and the City of Pensacola. Our own Collier Merrill had the honor of serving as emcee at the Port of Pensacola, where American Magic's High Performance Center was officially opened, establishing a permanent home for this elite sailing team.

The new 56,000-square-foot facility at Warehouse 10 represents a more than \$20 million investment in our community, creating 170 high-wage jobs and serving as a premier training base for SailGP. We are proud to have supported American Magic over the past four years, working alongside the team in every way we could to help bring Pensacola to this extraordinary moment.

Following the dedication ceremonies, the celebration continued with an afterparty at The Fish House. Pictured here, Collier Merrill, team principal Doug DeVos addresses the crowd as team members and community leaders look on. We couldn't be more excited for the future of American Magic and for Pensacola.
